Forecast for Thursday 06 Apr 2023

Weather: A lot of cloud through the daytime and this will bring a few showers which will fall as hail, and snow above 900 metres. Drier and somewhat brighter weather will spread from the west later in the afternoon, then mostly dry into the evening.

Chance of cloud-free hill tops above 800m: 60%

Low Cloud and visibility: Poor in areas of cloud down to 700 to 900 metres, this most persistent and extensive until mid-afternoon across Argyll and southern Lochaber, patchy in the south. Otherwise good visibility out with cloud, but temporarily reducing in any snow.
